SAFETY INSTRUCTIONS

Kayaking is a physically demanding and dangerous activity. There is a risk of injury or drowning during use. Each user must be familiar with the safety risks associated with kayaking. Read all safety instructions carefully and use the equipment in accordance with safety regulations.

The user is responsible for correctly assessing their physical abilities to handle the given water and wind conditions. Use your best judgment where the kayak is appropriate to use. All users assume responsibility for any damage, injury or death caused by the use of the kayak.

- Read the manual before use and retain it for future reference.
- Always familiarize yourself with the weather conditions and water level before use.
- Always wear personal protective equipment (life jacket, etc.) during use. Familiarize yourself with the use of protective equipment.
- Never use the equipment under the influence of alcohol, drugs or other addictive substances including medications that affect judgment or the safe use of the kayak.
- Do not overestimate your abilities.
- Wear appropriate clothing for the weather, wear a wetsuit if necessary.
- Always familiarize yourself with the local waters and the potential hazards.
- Never allow children or teenagers to use the kayak without adult supervision.
- Never attach the kayak to a boat or other means of transport.
- Never use the kayak as a means of personal transport.
- Never exceed the maximum load capacity of the kayak.
- Always check the condition of the kayak and other accessories before use.
- Always carry your ID.
- We recommend using the equipment with another person who can help you in case of danger or accident.
- Always inform a reliable person in advance of the use of the kayak, including the location and number of people. Always familiarize yourself with the physical fitness and health status of all participants.
- Always follow local regulations, laws and coast guard recommendations.
- Not intended for use as a life-saving device.
- For recreational use only.
- Do not use a damaged or worn product.
- Do not use the product if there are sharp edges.
- Meets standards: ISO 9650-1:2005, EN ISO 14946:2021, EN ISO 10240:2020, EN ISO 12217-3:2017, EN ISO 8666:2020

PACKAGE CONTENTS

1x kayak, 1x rudder, 1x handle control, 1x paddle, 1x pedal boat (one propeller), 1x height-adjustable seat, 1x rod holder

ASSEMBLY

Take all parts out of the box and place on clean surface, making sure no parts are missing.

ROD HOLDER ASSEMBLY

Assemble the holder base as shown in the picture. Choose a suitable location on the rail. Secure the base with the screw.

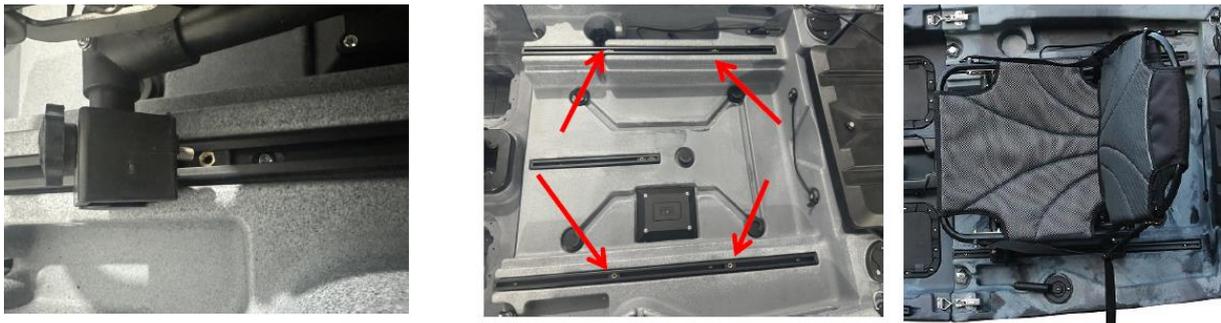

Then open the lock (red arrow) of the base and attach the holder. Secure the lock.

SEAT ATTACHMENT

Before attaching the seat, it is necessary to remove the frame, which serves as protection against damage during transport.

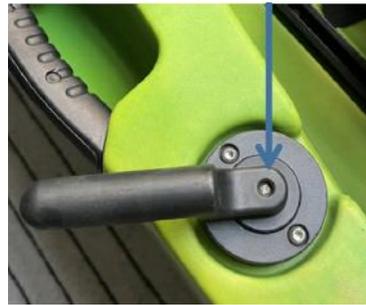

Attach the seat to the marked locations on the rail using the 4 latches on the seat.

The seat height can be adjusted to three positions.

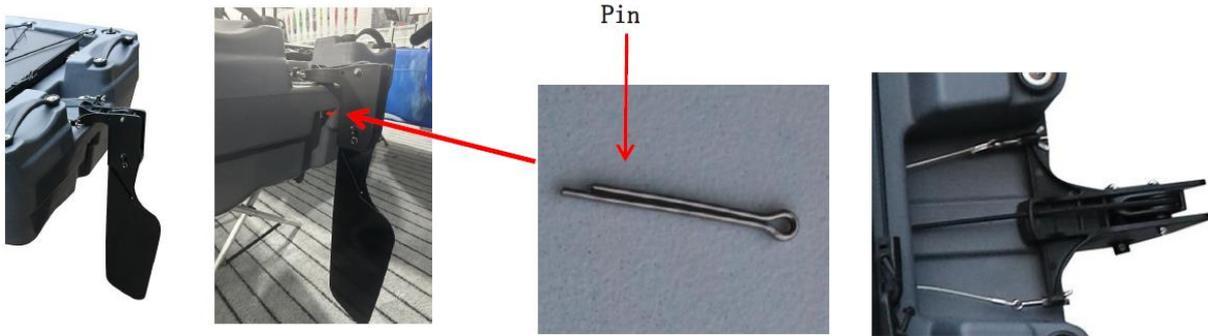

Secure the handle with a screw.

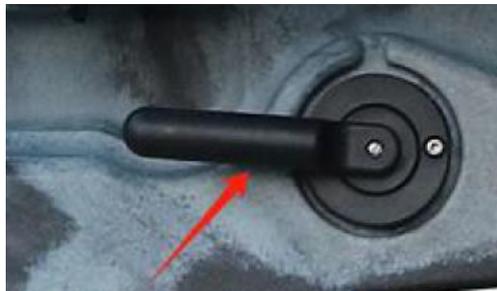

RUDDER ATTACHMENT

Insert the rudder base through the hole on the back and secure with a pin.

Thread the cables through the holes on the left and right sides to the rudder direction control lever.

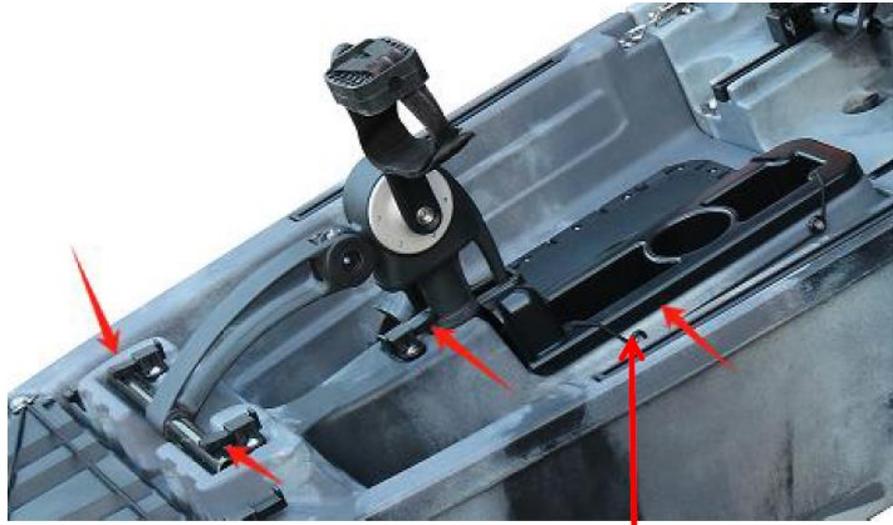

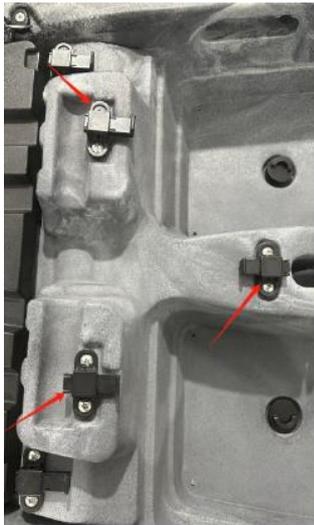

PEDAL ASSEMBLY

Remove all parts from the packaging.

PADDLE ASSEMBLY

Press the pin on the paddle handle and connect to the paddle.

HULL CONNECTION

The length of the eyelet is adjustable so that the two parts of the hull are connected as best as possible.

ENVIRONMENT PROTECTION

After the product lifespan expired or if the possible repairing is uneconomic, dispose it according to the local laws and environmentally friendly in the nearest scrapyard.

By proper disposal you will protect the environment and natural sources. Moreover, you can help protect human health. If you are not sure in correct disposing, ask local authorities to avoid law violation or sanctions.

TERMS AND CONDITIONS OF WARRANTY, WARRANTY CLAIMS

General Conditions of Warranty and Definition of Terms

All Warranty Conditions stated here under determine Warranty Coverage and Warranty Claim Procedure. Conditions of Warranty and Warranty Claims are governed by Act No. 89/2012 Coll. Civil Code, and Act No. 634/1992 Coll., Consumer Protection, as amended, also in cases that are not specified by these Warranty rules.

The seller is SEVEN SPORT s.r.o. with its registered office in Strakonická street 1151/2c, Prague 150 00, Company Registration Number: 26847264, registered in the Trade Register at Regional Court in Prague, Section C, Insert No. 116888.

According to valid legal regulations it depends whether the Buyer is the End Customer or not.

“The Buyer who is the End Customer” or simply the “End Customer” is the legal entity that does not conclude and execute the Contract in order to run or promote his own trade or business activities.

“The Buyer who is not the End Customer” is a Businessman that buys Goods or uses services for the purpose of using the Goods or services for his own business activities. The Buyer conforms to the General Purchase Agreement and business conditions.

These Conditions of Warranty and Warranty Claims are an integral part of every Purchase Agreement made between the Seller and the Buyer. All Warranty Conditions are valid and binding, unless otherwise specified in the Purchase Agreement, in the Amendment to this Contract or in another written agreement.

Warranty Conditions

Warranty Period

The Seller provides the Buyer a 24 months Warranty for Goods Quality, unless otherwise specified in the Certificate of Warranty, Invoice, Bill of Delivery or other documents related to the Goods. The legal warranty period provided to the Consumer is not affected.

By the Warranty for Goods Quality, the Seller guarantees that the delivered Goods shall be, for a certain period of time, suitable for regular or contracted use, and that the Goods shall maintain its regular or contracted features.

The Warranty does not cover defects resulting from (if applicable):

- User's fault, i.e. product damage caused by unqualified repair work, improper assembly, insufficient insertion of seat post into frame, insufficient tightening of pedals and cranks
- Improper maintenance
- Mechanical damages
- Regular use (e.g. wearing out of rubber and plastic parts, moving mechanisms, joints, wear of brake pads/blocks, chain, tires, cassette/multi wheel etc.)
- Unavoidable event, natural disaster
- Adjustments made by unqualified person
- Improper maintenance, improper placement, damages caused by low or high temperature, water, inappropriate pressure, shocks, intentional changes in design or construction etc.

Warranty Claim Procedure

The Buyer is obliged to check the Goods delivered by the Seller immediately after taking the responsibility for the Goods and its damages, i.e. immediately after its delivery. The Buyer must check the Goods so that he discovers all the defects that can be discovered by such check.

When making a Warranty Claim the Buyer is obliged, on request of the Seller, to prove the purchase and validity of the claim by the Invoice or Bill of Delivery that includes the product's serial number, or eventually by the documents without the serial number. If the Buyer does not prove the validity of the Warranty Claim by these documents, the Seller has the right to reject the Warranty Claim.

If the Buyer gives notice of a defect that is not covered by the Warranty (e.g. in the case that the Warranty Conditions were not fulfilled or in the case of reporting the defect by mistake etc.), the Seller is eligible to require a compensation for all the costs arising from the repair. The cost shall be calculated according to the valid price list of services and transport costs.

If the Seller finds out (by testing) that the product is not damaged, the Warranty Claim is not accepted. The Seller reserves the right to claim a compensation for costs arising from the false Warranty Claim.

In case the Buyer makes a claim about the Goods that is legally covered by the Warranty provided by the Seller, the Seller shall fix the reported defects by means of repair or by the exchange of the damaged part or product for a new one. Based on the agreement of the Buyer, the Seller has the right to exchange the defected Goods for a fully compatible Goods of the same or better technical characteristics. The Seller is entitled to choose the form of the Warranty Claim Procedures described in this paragraph.

The Seller shall settle the Warranty Claim within 30 days after the delivery of the defective Goods, unless a longer period has been agreed upon. The day when the repaired or exchanged Goods is handed over to the Buyer is considered to be the day of the Warranty Claim settlement. When the Seller is not able to settle the Warranty Claim within the agreed period due to the specific nature of the Goods defect, he and the Buyer shall make an agreement about an alternative solution. In case such agreement is not made, the Seller is obliged to provide the Buyer with a financial compensation in the form of a refund.
